Q & A

2026 - 2027 Ski Season

Q: What age of child is on the ski race team?

A: Ages 4-20 with a variety of skiing experience. They should be reasonably independent but younger athletes are welcome as long as 1 parent/guardian is available at training to support. Skiers should be able to load and unload the chair lift on their own.

Q: Should my child sign up for the Ski Race Team, how good of a skier should they be?

A: YES - If your child can ski from the blue chair and get on and off the chair without help. If they can stop and have controlled turns, snowplow, or parallel skiing. If they have FUN skiing!

NO - If they are not potty trained or if they are very scared of speed.

Q: What gear do we need and how do we get it?

A: Each skier needs skis, boots, ski helmet, poles, and winter clothing. Ski team jackets are available. A back protector is highly recommended. At the start of the season we will hold a club gear swap to help get everyone ready. Coaches will be available to fit equipment and set up skis/boots. You do not need designated race skis until over the age of 11 and racing predominantly.

Q: What is going to happen with the Ski Team for the upcoming season?

A: Dryland training will start mid October with on snow training in early December once Kinosoo Ridge opens. We plan 1-2 mountain training camps: The first week of December in the Banff or Jasper area, and early January at Marmot. Training is Each Sunday from 10-2pm at Kinosoo Ridge on the Blue chair and one evening during the week determined by the Kinosoo Ridge schedule, in the past have trained Wednesday from 5-8pm. All training is optional as this is an individual sport. Younger athletes generally only train until lunch break on Sundays.

Q: Are we affiliated with the Kinosoo Ridge Snow Resort?

A: No. We have a 5 year user agreement for shared benefit use. Use of the hill comes at no monetary cost to the club while the hill is operating, and we have agreed to support Kinosoo Ridge events with volunteers.

Q: What can I do to help the Team during the upcoming season?

A: Volunteer at training sessions, races, events at Kinosoo Ridge and help with fundraising.
